Premium Pouch

SM-B5PL

A five-piece in-bag travel set with a premium build, tailored to fit inside your suitcase for clothes, shoes, cosmetics, and toiletries.

Product Name	Width(cm)	Height(cm)	Depth(cm)	Materials
Mesh Pouch (Large)	32.5	24	9.5	Polyester
Mesh Pouch (Medium)	30	20.5	9	Polyester
Mesh Pouch (Small)	23	16	9	Polyester
Shoe Pouch	20.5	37.5	9.5	Polyester
Toiletry Pouch	20.7	16.5	9	Polyester

DETAIL

Mesh Material

Breathable mesh makes it easy to store damp items and check contents at a glance.

Pouch Securing Band

A front interior band holds items steady and suits small essentials.

Bottom Anti-Sag Pad

A bottom anti-sag pad helps the pouch keep its shape when packed.

Pouch Securing Belt

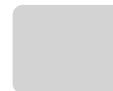

An internal belt keeps everything tidy and in place.

Zipper Strings

Pull strings on the zippers make opening and closing easy with minimal effort.

Standard Pouch

SM-B5PN

A five-piece in-bag travel set in a standard configuration. It helps you neatly organize clothes, shoes, cosmetics, and toiletries inside your suitcase.

Product Name	Width(cm)	Height(cm)	Depth(cm)	Materials
Clothing Pouch	30	20	9.5	Polyester
Shoe Pouch	33	18.5	10.5	Polyester
Pocket Pouch (Underwear)	20.5	28	X	Polyester
Pocket Pouch (Socks)	20.5	25	X	Polyester
Pocket Pouch (Cables)	20.5	25	X	Polyester

DETAIL

Spacious Interior Storage

Efficiently sorts clothing, shoes, and small items for a clean pack.

String Band

Tighten with the drawcord to secure small items, great as a multipurpose pouch.

Two-Way Handle

Opens and closes easily with a two-way zipper, finished with the Swiss Military logo detail.

Carrying Handle

Top handles on the clothing and shoe pouches make them easy to carry.

Folding Bag

SM-FB01

A suitcase-compatible Swiss Military folding bag that expands your packing space. Made from lightweight materials for easy carry. Folds down for compact storage when not in use.

Model No.	Width(cm)	Height(cm)	Depth(cm)	Weight(kg)	Materials
SM - FB01	25.5	36	18	0.36	Polyester

DETAIL

Practical Front Pocket

Quick access for frequently used items like your smart phone and wallet.

Reinforced Base Panel

Four PE pads on the bottom help the bag keep its shape, even with heavier loads.

Storage Mini Pouch

Store the bag in the pouch when not in use, flip the pouch to the bag during use or carry it separately.

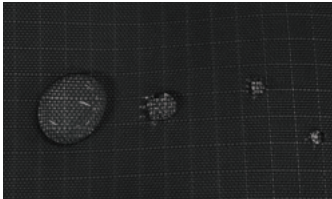

Rear Hidden Pocket

Close the bottom zipper on the back to create an extra storage pocket for more efficient use.

Luggage Strap

Open the lower zipper on the rear pocket to reveal a strap that secures to your suitcase for easier travel.

Everyday Water Resistance

Protects against rain and moisture for durable, convenient use indoors and out.

Carrier Name Tag

SM-NT01

The Swiss Military name tag helps you identify your bag at a glance. A belt-style strap attaches to your suitcase easily for convenient use.

DETAIL

Protective Cover Design

The cover hides your personal details and snaps open and closed for easy use.

Included Name Card

Includes a name card for basic contact details.

Belt-Style Strap

Adjustable length with quick, easy attachment and removal.

Loss Risk Prevention

Makes your luggage easy to spot and reduces mix-ups with similar bags.

Passport Wallet

SM-B1781

This passport wallet stands out for its organized interior and 'ballistic nylon' build, finished in refined colors with an embossed Swiss Military logo for a clean, sophisticated look.

DETAIL

Ballistic Nylon Material

4-5x more resistant to deformation and abrasion than standard nylon. Water-repellent coating for everyday protection.

Practical Storage

It is designed for practicality with three card slots, one ticket slot, and one passport slot.

Model No.	Width(cm)	Height(cm)	Depth(cm)	Weight _{kg}	Materials
SM - B1781	10	14	1	0.5	Polyester + Microfiber Leather

Luggage Belt

SM-LB

A compact, practical luggage strap that keeps heavy loads from shifting, adding safety and convenience for a smoother trip.

DETAIL

Premium PU Material

Brown PU adds a refined look and a premium design touch.

Convenient Safety Lock

Holds heavy items firmly in place and helps prevent the lock from opening on impact.

Model No.	Width(cm)	Depth(cm)	Materials
SM - LB	74.5	3.8	Polyester + PU
